## *I'm Veronica*

I go by Vee for short and I am an artist. I love to immortalize memories for couples to look back at and remember the magic. I am committed to making people feel the most beautiful and authentic version of themselves and express their love through photography.

I'm based in Asheville, NC, and have a passion for the outdoors and traveling. I am engaged to my amazing partner, Kyle and we live with our fur baby Brodie.

Why should you choose me? I believe in having someone hype you up and be a friend for your big day. You can trust me to be there and capture your moments with your personality woven into every shot.

A photograph of a man proposing to a woman on a beach at sunset. The man is kneeling on one knee, wearing a light blue shirt and dark pants, holding a ring box. The woman is standing, wearing a black and white patterned dress, with her hands covering her mouth in surprise. The background features a sandy beach with tall grasses and a cloudy sky with a warm sunset glow.
